Indoor Air Quality is one of the primary contributions office furniture can provide to LEED certification of a building. We are pleased that the majority of Paoli's products are Indoor Advantage certified by SCS Global Services. For a complete listing of products and certifications, please visit our website, paoli.com/sustainability

level®, BIFMA's sustainability certification standard for office furniture, is a multi-attribute, third party certification program measuring both the product and its producer against the ANSI/BIFMA e3 Furniture Sustainability Standard. Paoli is proud that the majority of our products are certified to the level® standard.
