SUMMARY DISCLOSURE

The content of this product was assessed for health hazard warnings as required using Pharos

Residuals Disclosure

☐ Measured 100 ppm (ideal)

☐ Measured 1000 ppm

☐ Predicted by process chemistry

☐ As per MSDS (1,000 & 10,000 ppm)

☒ Not disclosed

☐ Other

Full Disclosure of Intentional Ingredients

☐ Yes

☒ No

Full Disclosure of Known Hazards

☐ Yes

☒ No

Disclosure Notes

The exact formulation of EcoDomo products is of a proprietary nature, developed over years of research and development. Our company was based on sustainable products, work methods, and packaging from its inception in 2005. We use water-based finishes, adhesives, and have participated in mutiple LEED projects worldwide. EcoDomo is an active members of the US Green Building Council since 2005.

Contents in Descending Order of Quantity

Undisclosed (Leather fibers extracted from vegetable tanned leather hides) , Undisclosed (Natural Latex) , Undisclosed (Natural Tree Bark Binder)

Health Product Declaration v1.0 - hpdcollaborative.org - Page 1 of 3

The HPD Standard is solely a declaration of product content and direct health hazards associated with exposure to its individual contents. It is not a full assessment of environmental impacts from the life cycle of this product. It is not an assessment of risks associated with actual use of the product. It does not address the potential health impacts of substances used or created during manufacture that do not appear in the final product as residuals, nor substances created during combustion or other degradation processes.

This Health Product Declaration was generated following the requirements of the noted Standard version and is valid for a total of three years after date of issue or three months after a substantive change of product contents occurs. Users should verify that this Health Product Declaration is compliant with the most current version of the HPD Standard. Accuracy of claims made in this Health Product Declaration is the sole responsibility of the listed manufacturer and certifier (if applicable). The HPD Collaborative does not warrant any claim made herein, explicit or implicit. The HPD Standard is an “open standard” developed and managed by the HPD Collaborative, a nonprofit organization. For more information, visit hpdcollaborative.org.

CONTENT IN DESCENDING ORDER OF QUANTITY

All ingredients must be assessed for health warnings against Priority Hazard Lists, regardless of disclosure level. Priority Hazard Lists and information on the GreenScreen Benchmarks can be found at www.hpdcollaborative.org/hazardlists.
GS: GreenScreen Benchmark; **RC:** Recycled Content, **PC:** Post Consumer, **PI:** Post Industrial (Pre-consumer), **BO:** Both; **Nano:** comprised of nanoscale particles or nanotechnology

Name	CAS RN	% weight	GS	RC	Nano	Role
Hazard A	Warning A					
Hazard B	Warning B					
Hazard C	Warning C					
Hazard D	Warning D					
Hazard E	Warning E					
Notes						
Undisclosed (Leather fibers extracted from vegetable tanned leather hides)	Unknown	70 %		PI	N	Core product
None found	No warnings found on HPD Priority lists					
This is the core ingredient of our product - leather fibers.						
Undisclosed (Natural Latex)	Undisclosed	0 - 20 %	LT-U	U	U	binder
RESPIRATORY	MAK: Sensitizing Substance Sah - Danger of airway & skin sensitization					
See previous answer.						
Undisclosed (Natural Tree Bark Binder)	Undisclosed	0 - 2 %	LT-P1	N	U	Binder
RESPIRATORY	AOEC: Asthmagen (ARs) - sensitizer-induced					
MULTIPLE	VwVwS: Class 2 Hazard to Waters					
Natural ingredient used in the same manner as corn starch to bind the product						

CERTIFICATIONS AND COMPLIANCE

Certifying Party = First: Manufacturer’s self-declaration; Second: Verification by trade association or other interested party; Third: Verification by independent certifier (ideal).
Applicable facilities = Manufacturing sites to which testing applies.
