George Nelson Platform Bench Replica (Medium)

80078

Details

The George Nelson Platform Bench Replica is a high quality reproduction in the style of the original design.

This adaptations of the classic features crisp lines that are architectural, clean and timeless. This reproduction bench in your living room or office will add a touch of class. Ideal for sitting on, displaying artwork, nick-nacks or plants, or even as a coffee table. Solid wood slats allow the air and light through.

Overall Dimensions: 60"w x 18.5"d x 14.5"h
