Details

The George Nelson Style Coconut Chair is a high quality reproduction in the style of the original design.

Coconut Chair Originally introduced by Herman Miller in 1955, the original coconut chair is a 20th century furniture icon. It has a simple, striking shape, and it's also a very comfortable place to unwind at home or in the private office or lounge. Relaxing comfort. With its shallow sides and inviting curves, the chair is designed to let you sit in any position and move with ease. Thick cushion. The one-piece foam rubber, leather-upholstered cushion provides comfort and classic good looks. The chair's molded fibreglass shell sits atop a three-leg stainless steel base with glides.
