Finn Juhl No. 45 Sofa Replica

80166

Details

The Finn Juhl No 45 Sofa Replica is a high quality reproduction in the style of the original design.

Developed in 1945 by designer and architect Finn Juhl the model no45 chair has become one of his most respected furniture designs. Using organic styling and breaking with tradition by freeing the seat and chair back from the frame Juhl created an elegant and floating expression to this unrivalled design.
