C+D Linear features selected sizes and colors of the Colour & Dimension series of contemporary glazed ceramic wall tiles available in modern minimalist rectangular sizes.

Manufactured under the guidelines set by ASTM's standards and specifications.

We work with manufacturers worldwide that focus on the latest architectural trends and designs. Our manufacturers utilize the latest technology and materials to develop new products that provide solutions for interiors designs, outdoor paving and commercial areas.

Contact your local sales representative for full size samples, short form specification, trim size availability and actual test results.
