

BENNEY

CASEGOODS COLLECTION

INSPIRATION FOR THE BENNEY COLLECTION
WAS DERIVED FROM THE 1940'S IN AMERICA AND
THE CONCURRENT ENTHUSIASM FOR
RAYMOND LOWEY'S "NEW AESTHETIC", STREAMLINING.
AN APPRECIATION FOR THESE ROMANTIC NOTIONS,
COUPLED WITH A RESPECT AND UNDERSTANDING OF
CONTEMPORARY ARCHITECTURAL FORMS, HAS
RESULTED IN THIS TIMELY, TRANSITIONAL STATEMENT.

BENNEY'S *modular* CONSTRUCTION HAS BEEN CAREFULLY DESIGNED TO **RETAIN THE BEAUTY** OF BUILT-IN FURNITURE.

THIS *superbly engineered* SYSTEM INCLUDES COMPONENTRY TO **EASILY CONFIGURE** YOUR LAYOUT.

POWER AND COMMUNICATIONS MODULES,
GROMMETS AND PATHWAYS MAY BE APPLIED AS REQUIRED
BY PROJECT REQUIREMENTS. SURFACE GROMMETS ARE
AVAILABLE IN FINISHES COMPATIBLE WITH YOUR PULL
HARDWARE SELECTION. DOME GROMMETS AND HINGED P/C
DOCKS ARE BLACK AND MAY BE OUTFITTED WITH POWER
AND COMMUNICATION MODULES.

BENNEY COLLECTION
