

DAPPER DAISY

Artistic Tile's founder and CEO, Nancy Epstein, is the proud mother of 3 grown sons. Artistic Tile was born from her efforts to design their bedrooms, but with no girls in her family, Nancy didn't have the chance to design for little girls. That changed dramatically in 2007, when the first of her many granddaughters arrived, igniting an intense exploration of floral patterns. Several stunning designs soon followed, including Artistic Tile's award winning Estrella and its larger sibling Estrella Grande. Now, in the spring of 2014, Artistic Tile is pleased to announce the birth of our latest floral pattern: Dapper Daisy. Perfect for a young girl's bedroom, yet mature and sophisticated enough for any room of the home, Dapper Daisy is yet another Artistic Tile stunner.

Setting Material: Mapei Planicrete W or Litokol Litoelastic.
 Grout: Mapei Keracolor Unsanded or Litokol Crystal Glass
 Tech Note: Grout joints between mosaic sheets should be the same as joints within the sheets. Particular attention should be paid to the joints between sheets - adjusting individual pieces if necessary to produce a 'seamless' installation. Final appearance of installation will be influenced by choice of grout color. Mockup to confirm grout color selection highly recommended.
