NOTES

- *Interior Wall: Except Silver Blend & Mirror Gloss, dry applications only.
- *Shower Wall, Exterior Wall & Pool/Fountain: Except Silver Blend & Mirror Gloss.
- *Setting Material: Silver Blend & Mirror Gloss - Mapei Planicrete W or Litokol Litoelastic.
- *Dry Layout: Sheets are directional
- *Tech Note: Grout joint between mosaic sheets should be the same as joints within the sheets. Particular attention should be paid to the joints between sheets - adjusting individual pieces if necessary to produce a 'seamless' installation. Final appearance of installation will be influenced by choice of grout color. Mockup to confirm grout color selection highly recommended.
