

ARTISTIC TILE

At the cutting edge of porcelain technology, **NANO CORTEN THIN PORCELAIN** is the trendsetter in metallic large format thin porcelain. Offering a refined look of oxidized metal sheets with minimal seams, NANO CORTEN THIN PORCELAIN conjures images of weathered industrial spaces. NANO CORTEN THIN PORCELAIN lightweight panels are easy to handle, install, and care for, and are extremely well suited to apply directly over existing surfaces in renovation projects.
