

CATIFA SENSIT

arper

Catifa Sensit

The Catifa Sensit offers the comfort of a traditional office task chair without the bulk of visible technology.

An integrated mechanism in the back of the chair synchronizes movement, allowing it to seamlessly incline, relieving pressure on the lower back and offering full ergonomic support. The Catifa Sensit Chair is an enduring contemporary silhouette re-imagined for both home and work environments.

Soft yet supportive, Catifa Sensit is available in three backrest heights and with or without upholstered or aluminum armrests making its design harmonious with diverse interior environments. Available in a chair or lounge version, Catifa Sensit's serene gesture lends quiet grace to contemporary, adaptable workspaces and meeting rooms, signaling timeless sophistication without sacrificing comfort.

Designer

Lievore Altherr Molina, 2014

Lievore Altherr Molina was founded by Alberto Lievore, Jeannette Altherr and Manel Molina in 1990. Their humanist design approach is informed by the fundamental desire for pure, beautiful forms derived from the constraints of function, technology and context. Distinguished by a multi-disciplinary method that engages furniture, interior, product, and package design, their work has been globally exhibited and acknowledged. They are the recipients the prestigious National Design Award (1999) in Spain where they practice and teach extensively.

Catifa Sensit

The backrest can be reclined thanks to a **Self-Tensioning Weight Response Mechanism** - developed in cooperation with Donati Spa, a true expert in the sector - hidden within the shell

- 1 With a synchronized movement, the seat adjusts to the backrest recline breathing upwards to a maximum of 11,5 mm
- 2 17 degrees of continuous movement with the possibility of blockade in working position

Catifa Sensit

The backrest reclines in a fluid line with the seat for a continuous, elegant expression of the form with upmost comfort

- 1 Seat adjustment height and backrest movement blockade are integrated in one command.
- 2 The backrest reclines thanks to the built-in invisible mechanism
