MilanoSoft

Designed by Wolfgang C.R. Mezger

With MilanoSoft, Wolfgang Mezger demonstrates that, as scale increases, so does comfort. Its ample and inviting seat, gently curved back, and optional, outwardly flared arms make this the perfect guest or conference chair for hospitality, retail, office, and lounge spaces, alike. Anywhere MilanoSoft goes, relaxation is sure to follow.

An achievement in minimalist design, MilanoSoft is available fully upholstered with four legs or a cantilevered base. Both options showcase the expertly crafted mitered joints that contribute to this chair's sleek profile and smooth plane under the seat.
