Created to be a one-of-a-kind piece of nature's artistry, each and every Duchâteau® porcelain product carries distinct variations in its finish and overall texturing to recreate the unique diversity and natural elegance of our hardwood collections. It is virtually impossible to capture – in a small sample – the entire range of color variation and texturing that will be present in the porcelain flooring you will receive. To better understand the distinct look of a DuChâteau finished porcelain flooring in your space, we recommend consulting your sales representative for more details.
