

# ORCHESTRA

design Alberto Meda / Paolo Rizzato, 1995

**Type:** Wall, Ceiling

**Lamps:** Halogen, fluorescent or metal halide according to the optics requested

**Product use:** Indoor

**Materials:** Aluminium-coated metal built-in box, smoothed and oxidized aluminium sheet reflector, semi-expanded self-extinguishing NORYL frames

**Colors:** Alu reflector and frame

**Description:** A series of built-in modular elements produced in aluminium coated metal. The variety in sizes and sources of light make this an ideal lamp for different architectural requirements.

**Insulation class:**

**Reference code:** Structure
