**Features** 

#### **Chair Controls**

#### PostureBack™ Control (PB)

Free floating, tension adjustable, rocking backrest that can be locked into eight different positions. The "anti-slap" function does not allow the backrest to be inadvertently released.

#### SingleTouch™ Control (ST)

Independent adjustment of the seat and backrest angles in one convenient lever. A good choice for dedicated task work.

#### SynchroExec™ Control (SX)

Synchronized free-float rocking, lockable in any position and tension is adjustable for user weight. Back angle adjusts independently for computer work and features "anti-slap" function.

#### **Unique Alpha Features**

#### PressureCast™ Foam

Seating comfort is determined by how well the weight of the user is distributed over the seating surface. Uneven distribution causes pressure points that quickly become painful. The result is constant fidgeting by the user to relieve the pressure and loss of circulation. Compare the pressure maps to the right. Sitmatic's PressureCast foam distributes the user's weight evenly. The typical gel or mesh seat produces dramatic pressure points indicated by the yellow/red hot spots. Ergonomic contouring of the seat shape and high-resiliency PressureCast<sup>™</sup> foam result in the most supportive and comfortable seat cushions possible.

Sitmatic Pressure Cast™ Foam Even distribution of weight over seat

**Typical Gel-Foam Seat**Painful pressure points at buttocks

**Typical Mesh Seat**Painful pressure points at buttocks

**Lumbar Support**The scientifically engineered

shape hugs and supports the back from lumbar to thorax.

#### **Green Check Certified**

Alpha chairs are independently tested to exceed Green Building Council's LEED-CI Indoor Environmental Quality Standards. IEQ 4.5 and may comply with MRS 5.0.

Intuitive QuickBack™

Allows you to move the backrest through an unprecedented 4" range in 11 positions. Fingertip control positions the lumbar support exactly where you need it.

ShoeSaver™ Base

This soft rubbery cap gives on contact and yet is impervious to scratching and marring.

#### **Exceptional Range of Seating Solutions**

**Management, Executive and Conference Seating** 

**Task and Operational Seating** 

**Occasional and Stacking Chairs** 

**Auditorium and Public Seating**
