

Upholstery Specifications and Requirements

updated 10.7.16

Cherner seating products can be ordered with:

- Seat Pad only
- Seat Pad and Back Pad
- One Piece Pad (not available on Lounge Chairs)

Pads have 3/4" of medium density foam and are wrapped with one of the following options: Spinneybeck leather, Maharam Fabric or the customer's own material (COM)

Seat pads must be installed at the factory and must be ordered at the same time as the chair, stool or ottoman. Seat pads cannot be purchased separately or installed on previously purchased products.

Spinneybeck Leather:

Sabrina is full grain leather with a smooth, tight grain and suppleness of hand. This product is the favorite of clients seeking elegant, fine-grained leather for high-traffic use.

Velluto Pelle is lightly enhanced aniline dyed leather. The light enhancement process refines the surface providing a supple and smooth feel.

Vicenza is a corrected grain, aniline leather. Vicenza receives a special retannage which enriches the leather, tightens the grain and provides a superior hand.

Leather samples are available for order at the Spinneybeck website (www.spinneybeck.com). Other grades of Spinneybeck leathers can be special ordered.

Maharam Fabrics:

A wide range of Maharam fabrics are available for upholstery in a variety of colors and textures:

Divina: 100% Wool

Hallingdal : 70% Wool

Lariat: 100% Vinyl

COM – Customer's Own Material Requirements:

- | | |
