

Solar

The **Solar Series** is a prestigious line of upper management furniture. The clean classic styling will add distinction to the offices of today and tomorrow.

Tops are 1.438" thick, three ply balanced construction. .875" solid wood bullnose bands are attached to the front and back edges.

End panels are 1.438" thick, three ply balanced construction, with .5" solid wood contoured bands on the two vertical edges and horizontal top edge.

Wood reveal strip is standard between top and end panels. Reveal strip in black is available as an option (Options D02).

Drawer fronts are .75" thick, three ply construction. Finger pulls are machined into the edge of the drawer. Lateral file fronts have surface mounted matte black pulls in center. A continuous pull along the top edge of lateral drawer fronts is available as an option. Surface mounted pulls, in polished chrome, brass, or matte black are also available as an option with no upcharge.

Suspensions on both box and file drawers are three part progressive action full extension precision ball bearing slides. Center drawer suspensions are .75" extension precision ball bearing slides.

Pullout dictation shelf above top drawer on each desk pedestal is standard.

Personal storage shelf is standard in desk kneespace.

Locks located in the kneewell are standard on all desk pedestals. Locks are optional on credenzas and files.

Filing is legal size front to back, except for the 60" desk, 61" kneespace credenza, and 76" Presidential desk. These units have letter size filing front to back. All file cabinet drawers accept legal or letter size side to side.

Veneers on all exterior surfaces are "A" grade select in plain sliced White Oak, American Black Walnut, Cherry, White Maple, and slip-matched Sapele (Ribbon-type Mahogany).

Finishes are in a variety of stained finishes listed below.
A semi-open pore finish; 40° sheen, alcohol and water resistant top coat is standard.

Lunette

Lunette is an aesthetically pleasing moderately priced caseworks line. Lunette's arched doors and modesty panels create an openness and less confining feel in today's smaller workspaces.

Tops are 1.188" thick three-ply balanced construction with the choice of four edge details along the principal edges. All other edges are flat.

Cases are a pedestal construction. Panels are a three-ply construction. Exterior pedestal sides are 1.188" thick all other panels are .75" thick.

Drawer Fronts are .75" thick three-ply construction.

Lunette Pulls. Standard drawer pulls are black. Polished chrome, satin chrome and metallic grey finishes are available as a no upcharge option. Other pulls are available for a slight upcharge. Please contact the factory for details.

Suspensions all drawers use progressive action ball bearing slides. File drawers are full extension.

Locks are optional on all units. See the options column on the right hand side of each page for specific pricing.

Veneers on all exterior surfaces are #A grade select grade in plain sliced White Oak, American Black Walnut, Cherry, White Maple and plain sliced Sapele (Ribbon-type Mahogany). Optional Anigre veneers are quarter cut.

A simple line drawing of a tall, narrow bookshelf. It has a vertical back panel and a horizontal base. Five horizontal shelves are evenly spaced within the frame, creating six compartments of equal height. The drawing is done in a clean, minimalist style with black outlines on a white background.

Banker

Banker is a tastefully designed modestly priced contemporary caseloads line. Articulated vertical corner joints and optional simulated aluminum drawer fronts instill an image that can reinforce a firm's unique corporate identity.

Tops are 1.188" thick three-ply balanced construction with the choice of four edge details along the principal edges. All other edges are flat.

Cases are a pedestal construction. Panels are a three-ply construction. Exterior pedestal sides are 1.188" thick all other panels are .75" thick.

Drawer Fronts are .75" thick three-ply construction.

Banker Pulls. Standard drawer pulls are satin chrome. Polished chrome and smoke finishes are available as a no upcharge option. Other pulls are available for a slight upcharge. Please contact the factory for details.

Suspensions all drawers use progressive action ball bearing slides. File drawers are full extension.

Locks are optional on all units. See the options column on the right hand side of each page for specific pricing.

Veneers on all exterior surfaces are #A grade select grade in plain sliced White Oak, American Black Walnut, Cherry, White Maple and plain sliced Sapele (Ribbon-type Mahogany). Optional Anigre veneers are quarter cut.
