

DOUBLE LATTICE 42" X 84" OVAL TABLE TOP (HOLE)

Perfect with the Double Lattice Oval Table Base, but Summer Classics signature table top is also compatible with two of our Cort dining table bases which all have a hole spacing of 24" (See related bases below, requires 2). Choose from Bar height, counter height, dining table height, or euro table height bases. Comfortably seats 8. Each perforation in the double lattice pattern is hand filed. In the early production of our Provance (Double Lattice) Collection, the original designs were sand cast from hand carved wooden molds that were intricately crafted by skilled artisans. Today these signature tables are permanent mold cast in four sections and welded in 360 degrees together with extreme precision.
