

ASTORIA OTTOMAN

Prop your feet up and get cozy with the Astoria outdoor ottoman. Over a never-rust extruded aluminum base, hand woven N-dura™ resin is detailed with a delicate braiding. A classic updated look with a refined and luxurious modern finish, the highly detailed Oyster grey color blends seamlessly into any space with transitional appeal. Summer Classics' light and weather resistant cushion is available in a variety of Sunbrella® fabrics which truly make this piece a premium foot stool, particularly if paired with the Astoria Recliner and placed in a patio setting. The thoughtful webbing construction makes the Astoria ottoman a perfect place to rest your feet and legs, and also makes excellent impromptu casual additional seating.
