

ASTORIA RECLINER

Summer Classics Astoria Recliner is a parson style outdoor reclining lounge chair designed with deep cushions for lush comfort. Hand-woven in proprietary UV resistant N-dura™ resin wicker with a finish braid and capped in heavy extruded aluminum, this reclining lounge chair is built to last. Available in a complex grey color called Oyster, the subtle warm and cool tones of the finish blend well with many styles as a true transitional neutral should. The back reclines with a simple and functional mechanism similar to chaise lounges. Recline back with an Astoria ottoman for the perfect nap indoors or out.
