

HermanMiller

Swoop™ Upholstered Lounge Chairs

Designer

Brian Kane

While traditional lounge furniture inhibits movement, Swoop encourages it. Sit how you like, and change positions as you like. Modular seating components can also be ganged together to allow a run of chairs or ottomans to create sofas or benches, which lend a sense of enclosure to help define a space.

Technical Specifications

Seat Height: 16.5"

Total Depth: 32"

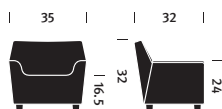

Tested and warranted for use by people 300 pounds and under.

Design for the Environment
