Swoop™ Plywood Lounge Chairs

Designer

Brian Kane

Brian Kane designed Swoop for the way people sit today—in a word, personally. Because there are no hard edges or 90-degree angles, the “swooping” form created as the arms curve into the seat accommodates a variety of postures and positions: upright with a laptop at the ready, or reclined with a cup of coffee; legs crossed, feet up, or settled in.

Technical Specifications

Seat Height: 16.5"

Total Depth: 29"

Tested and warranted for use by people 300 pounds and under.

Warranty

Swoop Plywood Lounge Chairs come with a 12-year, 3-shift warranty on parts and labor, including pneumatic cylinders, tilts, and all moving mechanisms. For warranty limitations on materials, please visit hermanmiller.com/warranty-terms.
