Altro Suprema™

Looking for that high design look and feel in a safety floor? Look no further than Altro Suprema - a stunning, non-sparkle safety flooring that gives you complete design freedom. From subtle grey to vivid orange, one of the range's 40 shades will match the mood you want to create. Design-led Altro Suprema has been developed in conjunction with color consultants, architects and end users around the globe to reflect design requirements and interior trends.

Ideal for large public spaces, Altro Suprema has Altro Easyclean Maxis PUR Technology for ease of cleaning, making it possible to specify light colors in areas you previously wouldn't have dared to.
