AL Fade 6 II

AL-Fade 6 II is a wall-mount, 6 ch DMX controller, designed to fit onto a single gang US junction box.
Included is a wireless remote and power/data supply for DMX output control of 6 channels with manual control of RGB and 6 programmable scenes with up to 99 steps each. New features on the AL Fade 6 II include the ability to set the DMX start channel, smoother faders, and a completely redesigned front panel.

ORDER CODES

DMX-ALF-06BU - US Version, White
