

CAPRI SLED

Capri Sled is a contemporary dining chair with a comfortable upholstered seat and backrest on a sled steel legs which are plastic tipped with plastic caps embedded inside the steel base. The seat has a steel structure with "S" shape springs for extra flexibility and strength. This steel frame is moulded by injecting polyurethane foam. Capri Sled is suitable for both residential and commercial use. Its sturdiness sled base that moves very smoothly on carpets has the chair especially preferred for lounge, restaurants, and other public areas.
