

Workstation Storage

Your challenges. Our solutions. Inscape has all the answers to your workspace storage needs. Just ask.

Personalized Storage

With virtually limitless filing and storage options for under the worksurface, you can focus on each individual's unique requirements, enhancing space utilization and productivity. Our 1½" solution lets you personalize as required.

Problem	Solution	Illustration
<p>“How can I efficiently space plan a workstation without compromising storage capacity?”</p>	<p>3" / 10½" / 10½" lateral file = combined box/box/file and file/file pedestals in one case</p>	
<p>“How do I provide lockable binder storage at a reception station?”</p>	<p>Standard 13½" high lift-up recessing door opening positioned for seated accessibility</p>	
<p>“How can I save money while planning with traditional storage needs in mind?”</p>	<p>2-high lateral file is a more cost-effective solution than two file/file pedestals</p>	
<p>“How can I include personal storage with traditional filing?”</p>	<p>Combination bottom-loading lateral and pedestal filing in one</p>	
<p>“How do I provide organized, secure storage for my staff who are <i>pilers</i>, not filers?”</p>	<p>16½" lift-up recessing door accessorized with SuperStor™ insert and a 6" drawer</p>
