CHIP-GLASS-GLI

## Samples and Specifying Notes

- Expect slight variations in color, texture and finish between these glass photos and actual, physical glass samples. Please evaluate physical samples before finalizing your glass selection.
- Individual glass samples (3" x 5") are available to order through KI's literature ordering system at [KI.com/literature](http://KI.com/literature) > Finish Cards & Samples > Window > Standard Glass.
- Other glass options (upon review and approval) may be specified.
- Refer to KI's Architectural Wall Color Addendum for a comprehensive listing of standard finishes.
- Contact your dedicated architectural wall specialist or wall coordinator with questions.
