Vocazione **internazionale**
*International **vocation***

In principio era questo verbo. Un gesto storico, ancestrale, fondatore. Le abili e pazienti mani degli artigiani plasmano il legno negli stabilimenti Giorgetti fin dalla fondazione dell'azienda a Meda, nel cuore della Brianza, nel 1898. Oggi Giorgetti produce collezioni di sedute, tavoli, librerie, letti e complementi firmati da importanti progettisti, alcune delle cui collaborazioni sono nate alla fine degli anni 80 e hanno permesso di creare prodotti funzionali, contemporanei e dallo stile atipico e inconfondibile, in grado di conciliare la più alta tradizione ebanistica con l'impiego di sofisticate tecnologie produttive.

Creatività e design caratterizzano i mobili Giorgetti, dando forma ai materiali più pregiati, come il legno, le pelli, la pietra e il metallo, e rappresentando il "Made and Manufactured in Italy" in tutto il mondo. Un concetto ricco di *heritage* che tanto affascina con l'aggiunta di quel tocco speciale fra passione e stile. Sinonimi in questo caso di amore per il bello e per il buon lavoro, fatto di qualità e di creazioni durevoli, senza tempo.

L'Arte di plasmare *The art of shaping*

In the beginning was this verb. A historic, ancestral, founding gesture. The skilled and patient hands of craftsmen shape the wood in the Giorgetti factories since its foundation in Meda, in the heart of Brianza, in 1898. Nowadays Giorgetti produces collections of seats, tables, bookcases, beds and furnishing accessories designed by important architects, some of which collaborations were born in the late 80's and that allowed to create functional, contemporary, unique and atypical products, that are able to reconcile the highest cabinetmaking with the use of sophisticated production technologies.

Creativity and design characterize Giorgetti furniture, giving the shape to the most precious materials, such as wood, leather, stone and metal, and representing the "Made and Manufactured in Italy" all over the world. A concept rich in heritage that fascinates with the special touch of passion and style. Synonyms in this case of love for beauty and for the good work, made of quality and timeless creations.

ARABELLA

CARLO GIORGETTI E MASSIMO SCOLARI 2010

Poltrona girevole disponibile con bracciolo destro o sinistro e base verniciata con finitura bronzo. La struttura del sedile è in multistrato di pioppo. Lo schienale ha una struttura interna composta da molle di acciaio armonico che permette l'elasticità e rende ergonomico l'appoggio. L'imbottitura del sedile e dello schienale è costituita da poliuretano espanso flessibile a quote differenziate, ricoperto in fibra di poliestere. La base è composta da un pannello di fibra di legno ricoperto in metallo tornito in lastra verniciata con finitura bronzo e da un meccanismo in acciaio con un cuscinetto a sfera per la rotazione. Le sfere a molla inserite nella base agevolano lo spostamento. Il rivestimento, completamente sfoderabile, è disponibile in tessuto o pelle. Un tessuto elastico fa da congiunzione tra le varie parti del rivestimento dello schienale agevolando l'elasticità e una corda elastica fissa i bottoni permettendo la sfoderabilità. Un cuscino in fibra di poliestere rivestito in tessuto o pelle completa il prodotto.

Swivel armchair available with right or left arm and varnished base structure in bronze finish. The frame is in multi-layer poplar wood. The backrest has an internal frame made up of harmonic steel springs that enables the elasticity and makes the support ergonomic. The padding of the seat and of the backrest is in flexible multi-density expanded polyurethane, covered with polyester fibre. The base is composed of a wood fibre panel covered with varnished turned metal in bronze finish and of a steel device with ball bearing for the rotation. The spring-loaded wheels of the base allow the piece to be moved easily. The upholstery, completely removable, is available in fabric or leather. A stretch fabric connects the several parts of the back upholstery facilitating the elasticity. An elastic string fixes the buttons allowing the cover to be removed. A cushion in polyester fibre covered with fabric or leather completes the armchair.

PROGETTI

PROGETTI BLOSSOM

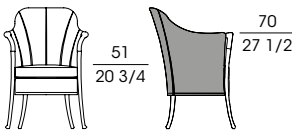

CENTRO RICERCHE GIORGETTI 2009

Poltrona in faggio massiccio con le gambe lucidate o laccate. I braccioli sono in pau ferro lucidato e l'imbottitura dello schienale, il fondo del sedile ed il cuscino del sedile sono in poliuretano espanso indeformabile a quote differenziate e fibra. Il rivestimento, completamente sfoderabile, è disponibile in tessuto o pelle oppure in bicolore con la parte esterna solo in pelle e con la particolare cucitura con l'inserito in pelle sulla parte interna dello schienale. Questo permette l'abbinamento di diversi tipi di tessuti o pelle e conferisce elasticità ed aderenza, eliminando le tensioni del rivestimento sulla parte interna dello schienale.

Armchair in solid beech wood with polished or lacquered legs. The armrests are in polished pau ferro. The back, the seat and seat cushion are padded with expanded non-deformable multidensity polyurethane and fibre. The completely removable upholstery is available in fabric, leather or in two colors with the external side in leather only, characterized by a special sewing with a leather inset in the inner part of the back. This enables it to be matched with different kinds of fabrics and leathers, by conferring elasticity, adherence and eliminating the stress of the upholstery on the back inner surface.
