

DESCRIPTION

The 163 Fabrique Rectilinear Wall Luminaire features 26 standard materials. ADA compliant.

SPECIFICATION FEATURES

Material/Mounting

Solid cold-rolled steel mounting frame and aluminum wirebody, painted white. Matte white acrylic bottom lens, standard. Optional matte white acrylic top lens.

Shades

Solid cold-rolled steel construction. Material on heavy translucent white styrene. All shades are "Hand-Tucked"

Note that Shaper's standard material selection is subject to change based on supplier availability. It is common for material manufacturers to be out of stock for long periods of time, change or discontinue materials without notice, based on market trends and/or raw material availability. We will contact the customer to provide the best alternative solution for orders in house if this situation occurs.

Materials

Standard: Shantung White (SWH)
Premium: Alabaster - Vinyl Coated (ABR), Bloom (BLOM), Glasgow Flax (GFX), Golden Honey - Vinyl Coated (GHY), Lavender (LAVD), Linen Alabaster (LAT), Linen Biscuit (LBS), Linen Chopsticks (LCK), Marigold (MARG), Natural Flax - Vinyl Coated (NFX), Nutmeg Shimmer (NGS), Poppy (POPY), Printed Amber Bamboo (PABB), Printed Cherry (PCH), Printed Maple (PMA), Printed Natural Bamboo (PNLB), Printed Variegated Bamboo (PVDB), Printed Walnut (PWA), Rose (ROSE), Shantung Beige (SBG), Shantung Eggshell (SEG), Shantung White (SWH), Silk Ivory (SIY), Silk White (SIW), White Krinkle (WHK), Customer Supplied Fabric (CSCC) or Custom Printed Image (CPI)

Note that the Bamboo is horizontal on the 163 shade.

*Many additional stock fabrics are available as a MOD, contact the factory for details. Shaper can accommodate "Customer Supplied Fabric" (CSCC) orders. Please contact your representative for details and minimum quantities.

Natural materials and textiles are subject to inconsistency in color/pattern, texture, shape and may vary from dye lots. They may also change in appearance over time. Many materials appear differently when illuminated.

It is recommended to view all samples illuminated prior to making final selection. Please contact your representative for a color sample chip.

Optics

Refer to shaperlighting.com for complete photometrics.

Lamp

L5:4000 Nominal source lumens at max 38w

Long-life LED system coupled with electrical driver to deliver optimal performance. Electronic drivers are available for 120-277 applications. A 0-10V dimming control is phase dimming and available (Standard) on all models.

Installation

Supplied with a universal integral mounting strap for a standard 4" J-box or plaster ring. Contractor to provide appropriate structural support for fixture weight. Refer to shaperlighting.com for installation sheets.

Cleaning recommendation: Use a soft clothes brush or a vacuum brush to dust the outside of the lamp shade and a clean soft white flannel cloth for the inside of the lamp shade.

Options

Remote Emergency Battery (REM) - Supplied by others. Matte White Acrylic Top Cover (TC). Contact factory for NFP701 Fire Resistant or Stain Guard fabric coating.

Labels

U.L. and C.U.L approved for interior locations only.

Modifications

Shaper's skilled craftspeople, with their depth of experience, offer the designer the flexibility to modify standard Fabrique wall mount luminaires for project-specific solutions. Contact the factory regarding scale options, unique finishes, mounting, additional materials/colors or decorative detailing.

ADA AMERICAN DISABILITIES ACT (ADA)

Shaper offers a large selection of ADA interior and exterior wall luminaires. ADA requires all fixtures below 68" to have a maximum projection of 4".

Fabrique

Shaper now offers a wide variety of architectural fabric luminaires. All of the shades have been designed to have minimal or no visible hardware or structural trim, and are available with the latest in lamp and ballast technology (T5/CFL with dimming ballasts).

SUSTAINABLE DESIGN

Shaper has a long-standing history of offering environmentally-friendly fixtures. The copper and bronze alloys used in our exterior luminaires feature up to 98% recycled content, contribute less undesirable air emissions compared to painted aluminum and are easy to recycle.

ARRA

Shaper Lighting certifies that its products satisfy the requirements of Section 1605 of the American Recovery and Reinvestment Act (also known as the ARRA Buy American provision).
