Design

Millennia was designed by Frederick A. Poisson to provide an understated contemporary offering for the modern office environment. The horizontal finger pull detail, broad list of components, and wood and chemcolor finishes allow the designer or specifier to create a unique statement. The Smart Casegoods options combined with Millennia components fulfill functional requirements.

Tables

Millennia conference tables and occasional tables have been designed by Frederick A. Poisson to complement the casegoods offering.

Refer to Halcon's Table & Conferencing price list for a complete listing of Millennia shapes and sizes.

Smart Casegoods

The following optional Smart Casegoods items may be added to further provide highly personalized and very functional furnishings that address the needs of the modern office:

- Drawers and Filing
- Worksurface Elements
- Upper Cabinet Elements
- Grommets and Paper Slots
- Electrical & Tasks Lights

Refer to HALCON Smart Casegoods price list for optional items.

Finger Pull/Metal Finishes

- Locks Satin Silver (LS), Polished Chrome (LC), Black(LK)
- Round Metal Leg CL1, CL33, CL4
- Vertical cabinet over pulls CL1

Ordering Information

Ordering of configured examples can be done by specifying the configured example number (example=MLFD40). Handedness, species, and finish color(s) are required.

Ordering of customer-configured items requires the following information:

- Sketch of room layout (**NOTE:** order cannot be entered for pricing on special veneer selections.)
- Quantity
- Product number and (if desired) Smart Casegoods items
- Right hand or left hand (R or L) where applicable
- Finish selection for metal column base
- Tack panel fabric
- Location of all worksurface electrical power items and grommet
- Veneer species
- Finish color (wood/chemcolor)
- Pull finish color

Component-specific options and ordering information are located after each component section.

Product Line Definition

Edge Detail

- A. Casegoods self edge x 1.5" Thick
 - B. Tables self edge x 2.0" Thick
- See symphony tables for available shapes, sizes, and veneer patterns.

Face Thickness

- A. All except upper cabinets 1.2"
- B. Upper cabinets .8"

Finger Pulls

- A. Top routed continuous wood cove on all drawer faces and doors below worksurface
- B. Touch latch on vertical cabinet doors above worksurface
- C. Metal face pulls on vertical cabinets with full height doors

Pedestal Height 28.1"

Pedestal Base Detail

- A. Integral part of pedestal, no separate components, includes levelers

Locks

- A. Standard on all doors and drawers below worksurfaces and optional on all else

Lock Location

- A. On the face of top drawer, upper right corner

Desk Height 30.1"

System Height

- A. 65.4"
- B. 80.4"

Upper Cabinet Detail

- A. Single and double high available

Joint Details of Adjoining Worksurfaces

- A. Butt joint with flat plate connector

Support Leg Requirement at Unsupported Kneespace

- A. 60" or larger

Product Line Set Up On Modules of

- A. 18" and 6" increments

Unique Features

- A. Routed wood finger pulls.
- B. Millennia offers a complimentary assortment of small accessory tables. See price list "Millennia Occasional Tables".
- C. Millennia offers a limited collection of AV cabinetry. See price list "Millennia Conferencing".

Terms & Conditions

Placing an Order

Please confirm that you have gathered all required information prior to placing your order. Specify all items by their product number, along with the quantity, finish color, tagging information and all other specifications necessary to fully define your order. If your project has a HALCON Quote Number, it must be referenced on your purchase order to ensure timely order processing. Purchase orders should be submitted electronically to halcon@halconfurniture.com.

Prices & Terms

All prices are list, freight prepaid, FOB Stewartville, Minnesota. HALCON pricing includes packing for North American shipment. Prices do not include crating, storage, shipping, delivery, installation or taxes. Payment terms based on credit approval and project scope. HALCON reserves the right to make changes to price without prior notice.

Order Acknowledgment

All orders and subsequent change orders must be in writing. HALCON will issue a written acknowledgment; customers should verify the acknowledgment for accuracy. The acknowledgment is the final agreement between HALCON and the customer. The price list identifies the information that must be noted on the purchase order. Any omission may result in the delay of processing your order. All quotations, acknowledgments, and invoices are subject to corrections for errors or omissions.

Changes & Cancellations

Requests for changes or cancellations of acknowledged orders must be made in writing and will only be approved by mutual agreement. A minimum 25% change/cancellation charge will apply.

Freight Terms

All merchandise is shipped FOB factory, Stewartville, Minnesota. All shipments are made according to the purchaser's instructions, or what in HALCON's judgment is the best way if instructions are not received, and at the purchaser's risk. All orders are acknowledged with an approximate shipping date. Shipping charges are prepaid (within the continental United States).

Claims

HALCON is not responsible for damage to merchandise which occurs in transit or Storage. It is the customer's responsibility to examine furniture upon receipt and note any damage in transit on the carrier's delivery receipt. The carrier should be notified by the buyer to inspect the merchandise, and file a claim immediately. If visible damage is not apparent, sign the delivery receipt 'NO VISIBLE DAMAGE'. This will allow recourse for a concealed damage claim.

Deliveries

All orders are acknowledged with an approximate shipping date. HALCON's liability ends when the carrier issues a receipt to HALCON Corporation, which is an acknowledgment by transportation company that the shipment has been received by the freight company in good condition.

Visible Damage

All visible damage or any shortages must be noted on the carrier receipt and signed by the delivering driver. Do not sign the receipt until the visual inspection is complete at the time of delivery.

Repair Authorization

Prior written approval is required for repairs of merchandise charged to HALCON. Failure to do so will result in customer funded repairs.

Concealed Damage

All cartons must be opened and inspected prior to signing the bill of lading. Damage which is not apparent until merchandise is unpacked, will only be recognized if HALCON is contacted within 72 hours of receipt of goods. Any claims against HALCON for defects, errors or shortages must be made by the customer in writing within 72 hours of the delivery date. Failure of the customer to make any claim against HALCON within the 72 hour period shall constitute acceptance of the merchandise and a waiver of defects, errors or shortages. Damaged freight cannot be refused by the consignee (buyer). Request an immediate inspection. **Keep all packing materials pending inspection. Do not move merchandise from the receiving area**

Storage

If shipment of completed merchandise is postponed by the customer, HALCON reserves the right to transfer the merchandise to Storage, all at the customer's risk and expense. Such transfer to Storage shall be deemed delivery to the customer for all purposes, including invoicing.

Warranty

HALCON merchandise is manufactured in accordance with the highest standards of design and manufacture, and is warranted to be free from defects in material and workmanship for a period of ten years from date of delivery (with the exception of electronic and communication components which are warranted for one year), under normal use and under conditions for which the product was designed. Electric height-adjustable desks are warranted for five years while pneumatic height-adjustable desks are warranted for two years. During this warranty period, HALCON will repair, or at its own option, replace, such merchandise as shall prove to be defective.

This warranty applies only to the original purchaser. The warranty does not apply to damage resulting from accident, alteration, misuse, tampering, negligence or abuse. Warranty does not extend to personal or residential purchases. Fabrics are in no way warranted by HALCON. This warranty does not extend to color, grain, or texture of natural materials such as wood, marble or leather, because of naturally occurring variations. HALCON does not warrant matching of color grain or texture, except as specified in the order confirmation. All other warranties (including any warranty of merchantability or fitness for any particular purpose) are hereby excluded. The foregoing shall constitute HALCON's sole warranty and exclusive remedy of customer. **HALCON shall not be liable for loss of time, inconvenience, commercial loss, or incidental or consequential damages.**

Wall Mounted Cabinets

All wall mounted cabinets and shelves include a separate wall cleat that is sized to support the cabinet but does not include wall cleat attachment hardware. The structural capacity of the support wall and the anchoring of the cleat to the wall are beyond the control and expertise of HALCON. It is, therefore, understood by all parties involved that it is the responsibility of the buyer, owner and/or installer to consult with the building owner, architect, interior designer, structural engineer and/or contractor to ensure that the supporting wall structure and cleat attachment method will support the size and weight of the specific cabinet selected from the HALCON price list.

Miscellaneous

All products shown in the HALCON catalog are, and remain, the property of HALCON, and HALCON reserves the exclusive right to manufacture the models shown. All dimensions and weights shown are to be considered approximate. HALCON reserves the right to make changes in dimensions, design and/or construction without prior notice.

grommets

	product number	dimensions		weight	list
rectangular metal, black					
	SCGR	1.7d	3w	1	137
rectangular plastic, black					
	SCGQ	2d	4w	1	63
round plastic, black					
	SCGP	1.7d		1	44
round metal					
	SCG2	2d		1	93
	SCG3	3d		1	112

Note: Grommets available in Black finish only, except for SCG2 and SCG3 round metal. For Field Install, drill 1-7/8" diameter hole for SCG2 and 2-7/8" diameter hole for SCG3.

Ordering Procedure/Options - please include the product number as shown above, and option codes in sequence as follows:

- 1) Grommet Finish: Black (K), Satin Chrome (S), Polished Chrome (C) - *for SCG2 and SCG3 only*
- 2) Grommet Placement: Left (L), Right (R), Center (C), Field Install/Ship Loose (F)

Sample Order - (SCG2-S,R)

- 1) Grommet Finish: Satin Chrome (S)
- 2) Grommet Placement: Right (R)

task lights

	product number	dimensions		weight	list	
standard black task light - T8 octron lamps and 9' cord						
	SCTL1	6.8d	18w	8	181	
	SCILT24	4.4d	23.3w	1.3h	5	203
	SCILT36	4.4d	35.1w	1.3h	8	214
	SCILT48	4.4d	46.9w	1.3h	12	240
	SCILT60	4.4d	58.7w	1.3h	15	331

premium white task light - 3500K T5 lamp and 10' cord

	SCTL21	4.3d	24w		8	542
	SCTL22	4.3d	36w		10	633
	SCTL23	4.3d	48w		13	718
	SCTL24	4.3d	60w		16	865

Note: When ordering task lights, specify a task light that is smaller than the overall upper cabinet width. For example, specify a 48w task light for a 54w or 60w upper cabinet.
Halcon recommends the following task light combinations for use with larger upper cabinets:

- Two 36w task lights for 84w-90w upper cabinets
- One 36w and one 48w task light for 96w-102w upper cabinets
- Two 48w task lights for 108w-114w upper cabinets
- One 48w and one 60w task light for 120w upper cabinets

Ordering Procedure/Options - please include the product number as shown above, and option codes in sequence as follows:

- 1) Task Light Option: Standard Plug-In Cord (STD), Chicago Code Cord - **add 46** (CH)

Sample Order - (SCTL3-STD)

- 1) Task Light Option: Standard Plug-In Cord (STD)
