LEX

Beautiful solutions for private, open and collaborative space.
LEX is lean lines and refined minimalism. With a variety of sophisticated components, inherent flexibility, and limitless scalability, LEX is a seamless experience for the unified office.
LEX is more.

LEX wall delivers power, data, and storage to configurable and re-configurable freestanding desking components.

LEX wall defines space for both working and collaboration.

Conferencing, workspace, informal collaboration, and storage needs can all be specified with LEX open office.

Varying materiality can distinguish space and function within the minimalist LEX aesthetic.
