

MIXED MATERIALS “InPlace” - RESILIENT LIMITED LIFETIME WARRANTY

The following is the Lifetime Commercial Limited Warranty issued by Shaw Industries, Inc. (“Shaw”) for our “InPlace” resilient flooring, when used in commercial applications.

This Lifetime Commercial Limited Warranty begins when the resilient is purchased. The resilient must be installed in accordance with Patcraft installation guidelines and specifications. The resilient must be maintained in accordance with Patcraft maintenance (resilient care) recommendations and such maintenance (resilient care) continues throughout the duration of the original installation.

The Lifetime is further limited to the period of time the resilient is owned and maintained by the original end-use purchaser. The basis of any warranty related claim is the original Shaw invoice or authorized Patcraft dealer invoice.

Installation guidelines, specifications along with resilient care recommendations can be obtained from your dealer or from: Patcraft Customer Connect at 800.241.4014 or at www.patcraft.com.

What the Warranty Covers

Manufacturing Defects - Shaw warrants that the resilient product will be free of manufacturing defects

Wear - Shaw warrants that, under normal use, will not “wear through” the wear layer so that the printed film or printed design is altered

What If You Need Warranty Service?

You (the original purchaser) should notify the authorized Shaw Dealer and/or your sales representative and submit in writing, the following:

1. A valid proof of purchase in the form of a sales receipt or other documents, which establish proof of purchase.
2. A detailed description of the problem and/or a photograph/sample that clearly shows the warranty problem.

Send to **www.shawonline.com** or Shaw Industries Financial Services, P.O. Box 2128, Dalton, GA 30722.

Shaw will designate a representative to inspect the carpet in question and evaluate the warranty claim.

What Will Shaw Do?

Should a defect covered under this warranty be found, the affected area will be repaired to conform to the warranty. If repair is not commercially practical, Shaw may, at its sole option, replace the affected resilient or refund the proportional purchase price for the affected area. Shaw will pay the reasonable costs for freight and labor. Any costs incurred for the moving of equipment, furnishings, partitions and the like, that were installed over the Patcraft commercial product, will be at the consumer's expense.
