Environmentally Conscious

Color by Numbers contains a minimum of 4% pre-consumer recycled content and is certified by Third Party Certification Systems. For more information, visit CrossvilleInc.com/green.

Recommended Use

Color by Numbers tile is recommended for interior vertical surfaces in wet or dry applications. See CrossvilleInc.com for detailed installation instructions.

Care and Maintenance

Regular cleaning is the best way to keep Color By Numbers tile looking good for years to come. Use clean, hot water (combined with a non-abrasive household cleaner, if needed). Rinse thoroughly and dry with a soft cloth to prevent spots. No waxes or sealers are need. More information regarding the care and maintenance of Crossville® products is available at CrossvilleInc.com.

Our Warranty

Crossville Inc. guarantees that its products will meet or exceed the performance specifications outlined in ANSI A137.1- 2012 and in the performance data section of the Crossville, Inc. general product catalog. For complete details check our website at CrossvilleInc.com.

Hydrotect

Our porcelain tiles are available with Hydrotect. Crossville's revolutionary invisible coating harnesses the power of light, water, and oxygen to create the best defense against dirt and pollution. Whether indoors or out, floors and walls stay cleaner, providing a superior experience in any space. For complete details check our website at CrossvilleInc.com
