COMBINE WAVEWORKS WITH EXHIBIT™ TO ADD VERSATILITY.

Storage components and worksurfaces can be attached to our Exhibit wall rail solution, maximizing the wall surface and further demonstrating WaveWorks' flexibility. Exhibit allows WaveWorks worksurfaces and storage to be positioned anywhere along the rail. Tackable and marker board inserts, along with the Exhibit rail, can be field scribed to create a custom fit without the additional expense of millwork. Utilizing Exhibit creates a light, airy aesthetic while providing easy access to electrical and data.
