# TECHNICAL IMAGE GUIDE
Standard Aspex™ Patterns

Inkling

A001 - Light Grey

We carefully selected several on-trend patterns to add a decorative element to your space. Each pattern is available in 5 unique color options, to best cooridnate with your interiors. All patterns are reverse printed with non-PVC ink to our .040" (1mm) clear PETG sheet. A polyester backing is then applied to add additional protection for the print. For more information visit www.inprocorp.com

A002 - Cashmere
