Sample Optional Backrest Configurations - Overhead View

Where a unit has multiple backs, you can select to face backs in opposite directions. Must specify if required.

Notes

- Fabric is always railroaded off the roll, will run side-to-side on the chair.
- For leather, there will be additional joins in the upholstery.
- Be aware of handling and installation issues (stairs, elevators etc) due to length of some units.
- Additional combinations of Pod are available; to be quoted on request.
