Furnishing Knowledge®

Designed by Giancarlo Piretti, Torsion Air task chairs and task stools are available with arms or armless and provide task chair solutions for any application. The Torsion Air seating collection also includes stack chairs and nesting chairs. Bases available in polished aluminum, warm grey and black.

Cooling mesh back available in black or grey mesh. Durability assured by KI's 15-year warranty.

Patented torsion flex mechanism gradually increases resistance over the full 12 degrees of back flex.

Torsion Air® Task Seating

Cool

Discover the essence of clean, modern, conforming comfort. This fresh interpretation of KI's classic flex-back Torsion combines a lighter visual impression, breathability, and exceptional comfort.

Contemporary

Breathable mesh back allows for air ventilation and natural coolness for reviving comfort. The supple, flexible mesh conforms to the unique curvature of your back and provides integral lumbar support.

Comfort

Torsion Air is ultra strong and durable. This chair is tested and warranted for use by persons 300 pounds or less.
