Bufftech is the only fence brand to offer CertainTeed's proprietary **ColorLast® fade protection**. ColorLast, a state-of-the-art acrylic formulation that provides superior protection from the harsh rays of the sun, guarantees that the color on our dark shades and stain blends won't fade more than 4 Delta E (Hunter) units – which means any change in color will be nearly undetectable by the naked eye.

Bufftech's innovative alternative to traditional stucco walls, CertaStucco won't crumble, peel, chip or crack due to settlement, or stain like traditional stucco. It eliminates the time-consuming, costly task of digging a foundation and finishing the wall.
