**CertainTeed**  
SAINT-GOBAIN

# Trust Your Home to Landmark®

Our Landmark Series starts with trust at the foundation. We engineer each shingle to make it the heaviest in its class, back it with our 100+ year legacy of proven performance, and deliver it with the industry's best lifetime limited warranty.

## EXCEPTIONAL QUALITY

In addition to offering a flexible range of architectural design options, Landmark Series shingles are certified as meeting the highest quality standards for roofing to provide your home with exceptional performance and protection.

## LASTING BEAUTY

Within the Landmark Series, you get the authentic appeal of wood shake roofing combined with the flexibility of the industry's largest collection of colors. And they come with our exclusive StreakFighter® warranty, protecting your roof from streaking caused by airborne algae.

## PEACE OF MIND

CertainTeed's asphalt shingle warranty is an industry-best. Our enhanced lifetime limited warranty protects against ANY manufacturing defect, including aesthetic defects.

## Integrity Roof System™

Integrity is built from the bottom up. Layer-on-layer, only CertainTeed provides the peace of mind that comes with the best components performing together for peak efficiency.

### 1. Waterproof Underlayment

Waterproofing shingle underlayment prevents leaks from wind-driven rain and ice dams

### 2. Water-Resistant Underlayment

High-performance underlayment provides a water-resistant layer over the roof deck and a secondary barrier against leaks

### 3. Starter Shingles

Perfect starts every time and designed to work in tandem with the roof shingles above

### 4. Roof Shingles

Choose the best, covered by the strongest warranty in the business

### 5. Hip & Ridge Caps

Perfect finish for hip and ridge lines, complementing all CertainTeed shingles

### 6. Roof Ventilation

Engineered for ideal roof ventilation especially when matched with CertainTeed Intake Vents

## Add a Little Accent to Your Roof

CertainTeed offers Mountain Ridge®, an accessory product used for capping hips and ridges. It is the perfect finishing touch for your roof, offering blended color and high-profile design. CertainTeed also offers Shadow Ridge®, a low-profile design for capping hip and ridges.

## Color Companion Products™ for Flat Roof Areas

With CertainTeed Flintlastic® SA, you can coordinate flat roof areas like carports, canopies and porches with your main roof. Flintlastic SA is a self-adhering low slope roofing product available in eight colors that complement some of the most popular CertainTeed shingles.
