

hollow

Hollow is highlighted by a unique and distinctive concave outer shell. The design is based on modular panels that hinge together to form a series of lounge chairs and sofas. Hollow is available in two sizes, one a smaller scale. With its fresh look, Hollow offers an adaptable lounge seating solution for any environment.

COM/COL material requirement

Yardage is based on a non-patterned fabric. Additional yardage may be required for pattern repeats and the matching required. Leather yield may be affected by the quality of the COL. However, variance in the size of the hides will not affect the yield.
