

iuta

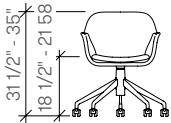

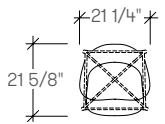

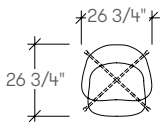

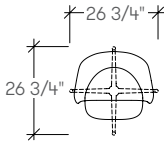

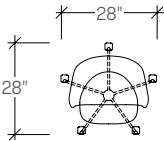

iuta is a molded wire-mesh shell chair that provides an outstanding level of comfort. A variety of options make it an excellent choice for executive or meeting areas. The back is available in a distinctive pressed grey-painted steel mesh with profiled aluminum edging or in upholstered thermoplastic, with or without arms.

Designer: Antonio Citterio

COM/COL material requirement

Yardage is based on a non-patterned fabric. Additional yardage may be required for pattern repeats and the matching required. Leather yield may be affected by the quality of the COL. However, variance in the size of the hides will not affect the yield.
