

WELDMARX I

Sit to Stand Desk

Weldmarx I is not only BIFMA compliant, but it also achieved twice the BIFMA requirements in regard to load-ing and cycles. It's twice as strong and twice as durable as BIFMA compliant competitive products. You can find height adjustable work surfaces from many manufacturers, but Formaspace Office created a desk that raises, lowers, and moves as one independent piece of furniture. Our modular sit-to-stand office desk can be manufactured with 3 different hardwood surface options, 5 standard laminate options, and can be powder coated with 10 standard frame colors. Customize this piece to match your office project!

Configuration Pictured:

1000 lbs. load capacity, 60" x 30" maple top, 16-gauge 30" high steel frame, clear powder coating, casters, 6" & 12" steel combo drawers, and electric hydraulic height-adjustability. Featured product photo includes upgrades. Prices vary based on material selections.
