

WELDMARX CII

Ellipse Conference Table

Weldmarx CII is the ellipse-shaped conference table. Its sleek design gives better visibility to all attendees when compared to a rectangle or a racetrack conference table. With softer edges and flowing design, the ellipse conference table offers the absolute fit for modern office spaces. Even though the standard table comes with a “V” frame base, the Weldmarx CII can be customized with different countertop and frame options.

Configuration Pictured:
