

Frameless Glass Marker Boards

## Frameless Glass Marker Boards

> **Custom Sizes and Colors** Available in a wide range of colors. Background colors can match paint sample colors from almost any source. Custom graphics and logos that will not fade or scratch can also be added. Colors are limited only by your imagination.

> **Tempered Glass** Constructed of tempered glass with polished edges, with or without radius corners. The glass is .25" thick. Boards can be magnetic, opaque or translucent. Available in three glass types: Basic (Clear-green tint), Classic (Starphire-pure white) and Satin (non-glare Starphire).

Available in a wide range of sizes from 12" wide up to 96" wide, in various heights.

> **Custom Graphics and Logos** Custom graphics and logos that will not fade or scratch can also be added. Background colors can match paint sample colors from almost any source.

> **Mounting** Multiple mounting options are available: framed, concealed brackets, various standoff versions, direct adhesive and desking and panel system mounting.

> **Applications** For classrooms, conference rooms, private offices, nurses' stations, patients rooms and anywhere a writing surface needs to be mounted on a wall.
