Visual Presentation Boards

# coronaVISUAL

## *elements* series Visual Presentation Boards

- > Simple, thin anodized matte aluminum frame
- > *elements* Boards come in a wide range of traditional and non-traditional elements, porcelain enamel steel whiteboard or chalkboard surfaces, fabric, acoustical fabrics, 100% recycled rubber, even glass.
- > Combine multiple materials to create unique and versatile custom Combiboards for almost any environment and use.
- > Unique spline joint allows Markerboards and chalkboards to be combined in sequence creating an almost seamless board able to fill any wall or room, up to 192" (16') in height.\*
- > Flush mounts directly to the wall using concealed z-clips.
- > Contact corona for more information, sizes and pricing.
