The Miter Table Series

Once again calling upon the design expertise of Emanuela Frattini Magnusson, HBF introduces the Miter Series of occasional tables. Fusing simplicity with sophistication, the brushed nickel metal leg is distinguished by an innovative miter fold that provides a smooth radius transitioning from the leg to the table top. The Miter Series is a timeless design that can function as a discreet complement to today's modern interiors.

MTW4024T Miter coffee table, 60OW x 24OD x 15OH, with walnut veneer top finished in Clear Walnut (Content 5% post consumer, 3% post industrial)
