

All COM's/COL's must be pre-approved for use. Additional yardage and or charges may apply once COM is approved.

HBF standard application is UP THE BOLT.

Proper identification of COM is imperative. If we are unable to identify a COM, the order cannot be processed. Orders using COM/COL cannot be processed until all COM/COL has arrived at our factory.

Notes: In the absence of application instructions, HBF will apply fabric based on HBF standard. HBF is not responsible for a COM application deemed unsatisfactory by the client. All stripes will be applied vertically unless specified otherwise. HBF has no responsibility for a fabric's overall appearance, flammability, normal durability or color fastness.
