*Shower Floors
Steam Showers
Pool & Spa (waterline)

* 2 x 2 Mosaic only

P.E.I. RATING: 4

FROSTPROOF: Yes

STATIC C.O.F. DRY: 0.83

STATIC C.O.F. WET: 0.63

DYNAMIC C.O.F. WET: 0.58

**DCOF Rating is a measurement of a tile's frictional resistance. It is the specifier's responsibility to ensure the chosen tile is appropriate for each interior and exterior application.

The Touch Series is a rectified, glazed porcelain manufactured in the United States. Inspired by the rich textures of commercial textiles, this series has a clean look and offers a simplistic, modern appeal. The Touch Series contains 60% pre-consumer recycled content. It is available in five colors and provides an industrial and commercial aesthetic that is now available for residential installations as well. Because this material is a porcelain product, maintenance risks involved with actual stone are eliminated. This series is suitable for residential and commercial applications. The Touch Series is Green SquaredSM Certified. All products bearing the Green SquaredSM Certified certification mark have been assessed for conformance to the ANSI A138.1 standard by a recognized third-party certification body. Green SquaredSM is a certification program developed by the Tile Council of North America (TCNA) as part of its ongoing initiative to support the efforts of producers, purchasers and policy makers to improve the environmental and social sustainability of products and services, based on either established and/or advanced scientific principles, practices, materials and standards.

SIZE	SF/PIECE	PIECES/BOX	SF/BOX	BOXES/PALLET	SF/PALLET
