

## hoopz seating

high density stacking chair

furniture for **public spaces**

 **COMMUNITY**

**high density stacking chair**

Hoopz has a slim, lightweight silhouette and is loaded with versatility. It stands out when used individually and makes a statement when teamed together. Arrange chairs without breaking a sweat and stack 45 high on a cart to move from room to room with ease. Hoopz polypropylene seat and back comes in six color options. The base is steel chrome with a plated rod and integrated passive linking glide, and comes in three color options.

**stack the odds in your favor**

A solid steel frame makes these compact chairs durable and strong. Hoopz stackable chairs are available in six colors, three back styles, and three heights, making them compatible with almost any decor.

light, capable, and eager...

Hoopz makes the play and keeps you in the game. It has talent. It has style. It rises to the challenge and meets the demands of dining, educational and recreational seating.

**Gather, Dine & Learn**

*Part of the Jasper Group family of brands, Community is furniture for public spaces.*

**The Community brand manufactures furniture that works where we live for how we live.**

From elementary schools to colleges, from the doctor's office to the hospital and from court rooms to town halls, we provide solutions for the changing demands of our daily lives. Community's offering of furniture is broad. It's diverse. And it meets just about every need where you gather, dine and learn - no matter the industry or space requirement.
