Use Nosh to unify the design of an open dining space, or bring easy flexibility to a smaller collaborative or mixed use space. Choose from modern finishes to create just the right vibe.

a feel that just fits

Stick with rounded tops for a pull-up-a-chair style, or choose square edges for a clean, focused look. Small tables keep it simple, while larger, disc and T-base options integrate power for productive co-working time.

take a break or keep it going

Downtime and work time can coexist perfectly with the right setup. Nosh is equally ready for both, with comfortable, welcoming setups to relax and strategically placed outlets to keep devices charged and progress going.
